General Conditions of Sale

1. Classification

In these Conditions, Bespoke Auctions Ltd, who act only as Auctioneers and Agents for the Vendor, are called 'the Auctioneers' and the representative of Bespoke Auctions Ltd conducting the auction is called 'the Auctioneer'. The 'hammer price' means the price at which a lot is knocked down by the Auctioneer to the Buyer. The 'total amount due' means the hammer price in respect of the lot sold together with any premium and Value Added Tax chargeable, and additional charges & expenses due from a defaulting buyer under Condition 10 below.

2. General

(a) Agency. The Auctioneer sells as Agent for the Seller and as such is not responsible for any default by Seller or Buyer. The Auctioneers do not guarantee the title of any Lot or Lots sold by them and will not be responsible for any defects in such title.

(b) Description. Every Lot is sold with all faults and errors of description, and the Auctioneers disclaim, for themselves and for the Seller, all responsibility for authenticity, attribution, age, origin, provenance, date, condition, quality or estimated selling price. All statements on such matters, whether printed in the catalogue or made orally, are statements of opinion and not necessarily representations of fact. Buyers are deemed to have satisfied themselves on authenticity, condition etc before bidding, and no-one in the Auctioneer's employment has authority to make any representation of fact. All statements in the catalogue as to any such matters are statements of opinion and are not to be taken as, or as implying, statements or representations of fact.

(c) Bespoke Auctions Online Sales are provided on the basis that you will place bids on your own behalf. In the event that Bespoke Auctions agrees to place a bid on your behalf in an Online Sale, we do so as an additional service without charge, and Bespoke Auctions accepts no responsibility, duty or liability whatsoever, whether for negligence or otherwise, in the placing or failure to place such bids.

(d) Lots offered for sale will vary in terms of age, type and condition, with potential faults, imperfections and repairs, and are offered for Sale "AS IS" in their condition as at the time of sale. Lot Descriptions reflect Bespoke Auctions' reasonable opinion within the terms on which they are provided; are provided for general reference; and do not purport to be and may not be taken as complete descriptions of the Lot. Lot Descriptions and Condition Reports may contain inaccuracies and typographical errors and we do not warrant the accuracy or completeness of the content or that any defects will be noted or corrected. Condition Reports represent our reasonable opinion (recognising that we are not restorers or conservators) and are intended to offer a general view as to the overall condition of the Lot but may not cover all condition issues. Online images depend on connectivity and performance of computer equipment and may not accurately represent the Lot's colours and shades. Given the age of many Lots, they may have been damaged and/or repaired and you should not make any assumptions about the condition or any other aspect of a Lot. If you yourself do not have expertise regarding a Lot, you should consult someone who does to advise you. It is your responsibility to take appropriate advice on and satisfy yourself as to the attributes of any Lot in which you are interested.

(e) With the exception of the forgery (see 14), Bespoke Auctions does not offer any warranty or guarantee for lot descriptions, condition reports, merchantability, fitness for a particular purpose, attribution, authenticity or provenance, and any implied warranties are excluded to the fullest extent permissible by law.

(f) Bespoke Auctions reserves the right, in our sole discretion, to correct any errors or omissions in any portion of the Online Sale and to make any changes to the features, functionality or content of the Online Sale at any time. Bespoke Auctions excludes liability whether in negligence or otherwise for any error or omission in any description of a lot or any estimate in respect of any lot or the contents of any condition report or otherwise, whether given orally or in writing and whether given before, during or after the sale. This disclaimer and exclusion do not affect your statutory rights as a Consumer.

(g) Bidding. The Auctioneer has absolute discretion to divide any Lot, to combine any two or more Lots, to withdraw any Lot, to refuse bids, to regulate the bidding or cancel the sale without in any case giving any reason. S/he may bid on the Seller's behalf for all goods which are being offered subject to reserve or at the Auctioneer's discretion. Where there is no reserve either the Seller or his/her Agent (who may be the Auctioneer) has the right to bid on the Seller's goods. All intending purchasers must register their name & address with the auction staff and obtain a bidding number.

(h) Fall of the Hammer. The highest Bidder shall be the Buyer. If any dispute arises, the Auctioneer has absolute discretion to settle the dispute or to re-offer the Lot.

(i) Auctioneer's Statement. All Conditions, Notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any Lot are subject to any statements modifying or affecting the same made by the Auctioneer from the rostrum before accepting any bid for the Lot.

(j) Increments. Bidding increments shall be at the Auctioneer's sole discretion.

(k) Entry. We shall have the right at our discretion, to refuse admission to our premises or attendance at our auctions by any person. In accordance with government policy covid guidelines are in place.

(l) Endangered Species Laws. In accordance with international laws, any item on the Endangered Species List (eg ivory, rhino horn, etc), of whatever date, requires re-export permits for bidders outside the European Union. Some countries also require import permits. Bespoke Auctions Ltd cannot be held liable if a purchaser buys a lot subject to these laws and then import/export licences cannot be arranged. Certain countries, particularly the USA, have their own Endangered Species Act and possession of, or being involved in a commercial transaction with, any item on this list can be a Criminal Offence for a citizen of such a country. It is the potential buyer's responsibility to check Federal, or other, Regulations before bidding on any lot affected by these or similar regulations. (No licence is required to sell or advertise pre-1947 items within the European Union).

(m) Special Jewellery Notices. Some lots are accompanied by gemmological certificates giving an opinion on some or all of the gemstones in that particular lot. These certificates may have been obtained by British Bespoke or supplied by vendors. Please note that the content of these certificates is not guaranteed by Bespoke Auctions, and we cannot be held responsible for any disagreement over the content of certificates after the sale, or for a retrospective change in opinion by the providers of any of the certificates. Gemstones and jade of Burmese origin are not permitted for import by The United States of America.
